

ATTORNEY-MATCH

The Stark County Bar Association, in conjunction with the Community Legal Aid Services Pro Bono speaker's bureau – Attorney Match, provides attorney speakers on law-related topics. The “match” between the school and the attorney is based on the field of law the school is interested in learning more about.

To request an attorney to speak on any aspect of law — Constitutional issues, sports law, the juvenile justice system, etc. simply complete the short form below and send it to:

Sara Strattan, Esq.
Stark County Bar Association
116 Cleveland Ave NW – Suite 400

If you need to discuss the type of class or presentation you are considering, or if you have questions about the Attorney-Match Program, you may e-mail Attorney Sara Strattan at ssburns51@gmail.com.
