

ATTORNEY-MATCH

The Stark County Bar Association Attorney Match Program provides attorney speakers on law-related topics. The "match" between the school and the attorney is based on the field of law the school is interested in learning more about.

You may request a speaker on any aspect of law (constitutional law, sports law, the juvenile justice system, etc.) by sending an email request to Sara Strattan at ssburns51@gmail.com or filling out the form below and sending it to:

Sara Strattan, Esq.
Stark County Bar Association
116 Cleveland Ave NW – Suite 400
Canton, Ohio 44702

After your request is received please expect a phone call or email to confirm the request and make detailed arrangements.

Please do not hesitate to call (330-327-6608) or email Ms. Strattan if you are considering having a speaker or if you have questions about the Attorney-Match Program.
