Advancing the Rule of Law Now

STARK COUNTY BAR ASSOCIATION

January 26, 2021

Dear Stark County High School Teachers:

The purpose of this letter is to invite your students to participate in the Moot Court Virtual Competition to be held on Monday, May 3, 2021 by Zoom.

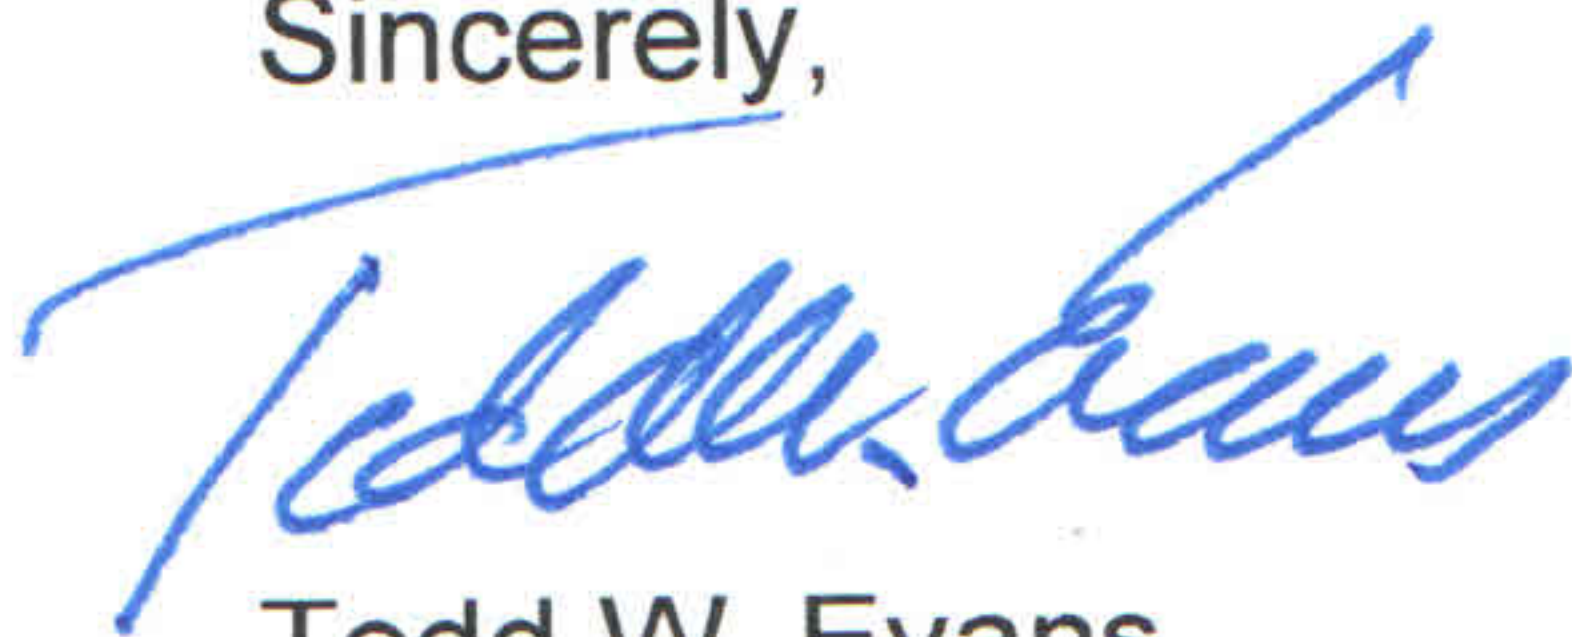

The Moot Court Competition is part of the 2021 Law Week Celebration, which is organized locally by the Stark County Bar Association Law Day Committee and its members. This week celebrates the American heritage of liberty, justice, and equality under the law.

“Advancing the Rule of Law Now” is this year’s theme for Law Day. Moot Court involves simulated appellate oral arguments. Competitors will be judged on their court demeanor, organization and reasoning, responsiveness to questions, and overall persuasiveness. The judges of the competition will be local attorneys and judges. They will offer constructive criticism and submit an overall score for each participant.

We will recognize the top three competitors on each side of the argument with medals and will present certificates of participation to those involved. The winners will also be posted on our website.

If your school is interested in participating or need more information, please contact me as soon as possible at 330-430-9300. We will send out case packets to those who intend to participate and will provide other assistance in preparing for the competition.

Sincerely,

Todd W. Evans
Law Day Chairman
