# THE FULL *Life* CENTER, INC.

*Dedicated to enhancing quality of life  
for individuals in need.*

## our Services: Pooled Special Needs Trusts

The Full Life Center, Inc. is a 501(c)(3) non-profit organization that started in 2008, based on Jesus' promise of full life found in John 10:10. It is our goal to partner with family, friends, legal representatives, and the disabled beneficiary to help provide financial security and peace of mind, while assisting the beneficiary to enjoy a fuller life.

### FLC Pooled Special Needs Trust

A first party trust funded with the disabled individual's own assets. These funds can come from an inheritance, personal injury settlement, life insurance payout or back pay from Social Security.

### FLC Discretionary Trust

A third party trust funded by a family member, friend or loved one for the sole benefit of the disabled individual. The trust can receive monies from the Grantor's Will, estate plan, life insurance policy or a gift.

FLC is governed by a Board of Directors comprised of legal, financial, and other special needs professionals.
